

## **6Hx19-1.02 DUTIES AND POWERS, DISTRICT BOARD OF TRUSTEES**

The District Board of Trustees (DBoT) of Pasco-Hernando State College recognizes and accepts the duties and powers of the Florida College System Institutions' District Boards of Trustees as prescribed generally in Florida Statutes chapters 1000 through 1013 and specifically in Florida Statute 1001.64.

The DBoT is responsible for cost-effective policy decisions appropriate to the mission of the College; the implementation and maintenance of high-quality education programs within law and rules of the State Board of Education (SBE); the measurement of performance; the reporting of information; and the provision of input regarding state policy, budgeting, and education standards.

The DBoT is vested with the responsibility to operate the College and with such necessary authority as may be needed for the proper operation and improvement thereof in accordance with rules of the SBE.

In carrying out this responsibility, the DBoT, after considering recommendations submitted by the College President, shall be authorized to adopt such rules, procedures, and policies as are necessary to operate the College in such a manner as to assure the fulfillment of the responsibilities assigned to the DBoT.

The DBoT grants the President the authority to make non-substantive adjustments to rules such as the update of applicable legal authority, Board-approved personnel title changes, and the improvement of grammar and punctuation. These rules, procedures, and policies may supplement those prescribed by the SBE if they will contribute to a more orderly and efficient operation of the College.
