

6Hx19-1.13 POWERS, DUTIES, AND RESPONSIBILITIES OF THE PRESIDENT

The purpose of this Rule is to establish Board policy regarding the powers, duties, and responsibilities of the President.

The President shall exercise all the general powers and perform all the duties and responsibilities prescribed in Florida Statutes, Chapter 1001.65, Florida College System institutions, presidents; powers and duties, and Florida Administrative Code 6A-14.0261, General Powers of the President. The powers, duties, and responsibilities as enumerated in Florida Statutes and Florida Administrative Code are incorporated herein as policy of the District Board of Trustees.

The President, or designee(s), may develop and use procedures and forms deemed necessary or beneficial to the operation of the College, provided that such procedures and forms are consistent with Florida Statutes, Florida Administrative Code and District Board of Trustees Rules.
