

6Hx19-6.42 TRAVEL FOR ATHLETIC TEAMS AND STUDENT ORGANIZATIONS

The purpose of this Board Rule is to establish Board policy relating to travel for athletic teams and student organizations.

The President shall ensure that procedures are formulated for the efficient planning of athletic travel, student organization travel, and safety of students and College employees participating in such travel. All travel must be under the direct supervision of a coach, organization advisor, administrator, or faculty member of the College.

All athletic events and student organization events away from PHSC are considered as non-academic field trips. Academic field trips shall be governed by DBOT Rule 6Hx19-3.10 *Academic Field Trips*.
