

6Hx19-2.50 VOLUNTEER SERVICES AND SERVICES COMPENSATED BY OTHER AGENCIES, BUSINESSES, AND ORGANIZATIONS

The purpose of this Board Rule is to establish Board policy regarding volunteer services and services compensated by other agencies, businesses, and organizations.

The President may approve volunteer services compensated by other agencies, businesses, and organizations for the benefit of the College. Individuals who provide such services will be covered by Worker's Compensation and may be reimbursed for travel related to College business and may be furnished office supplies. Acceptance of these services will be documented and available for review by the Board.

The following categories of Associated Personnel Services are recognized for the purposes of this Board Rule:

1. Volunteer Services

These services are donated to the College without cost to the institution. They include, but are not limited to, voluntary assistance in the College's libraries, Performing Arts Center, and instruction for community service courses.

2. Services Compensated by Other Agencies, Businesses, and Organizations

This category includes those services provided to the College by individuals who are compensated for those services by government agencies, businesses, or by civic or public organizations.
