6Hx19-2.53 PAYMENT OF ACCUMULATED SICK LEAVE UPON SEPARATION OR DEATH

The purpose of this Board rule is to establish Board policy for the payment of accumulated sick leave to eligible employees upon separation from PHSC or upon death.

Payment of accumulated sick leave will be made to a full-time employee upon separation after the *sixth* year of service at the College.

I. PAYMENT OF ACCUMULATED SICK LEAVE UPON SEPARATION- For all fulltime employees who are not affected under Section II.

Full-time personnel employed at Pasco-Hernando State College (PHSC) will be eligible to receive payment for earned accumulated sick leave including sick leave earned at another Florida State College, the Florida Department of Education, the State University System, a Florida district school board, or a state agency, and transferred into PHSC under Florida Statute 1012.865(2)(a). Transferred hours will be considered earned when originally earned; however, they may not be included in the payment calculation until they are recognized by PHSC in accordance with Florida Statute 1012.865(2)(a). Payment will be based upon the following amounts:

- a. After completion of six years of full-time college service until the completion of nine years of service, an amount equal to 45 percent of the number of accumulated sick leave days times the employee's current daily salary at the time of separation.
- b. During the 10th year of service and thereafter, an amount equal to 50 percent of the number of accumulated sick leave days times the employee's current daily salary at separation.
- c. Payment will be provided for accumulated sick leave to the beneficiary or to the employee's estate in accordance with criteria stated in Section I a or b if service is terminated by death.

If an employee separates and receives payment for accumulated sick leave as set forth above, all remaining unused sick leave shall become invalid; however, if an employee separates without receiving terminal pay benefits returns to employment, the sick leave credit shall be reinstated.

II. PAYMENT OF ACCUMULATED SICK LEAVE UPON SEPARATION - For full-time employees other than instructional staff or educational support staff.

Payment for accumulated sick leave for full-time employees who are in positions **other than** those defined in Section II a. as educational support positions and instructional staff positions shall not exceed the amount as calculated in II c., II d., and II e.

6Hx19-2.53 Payment of Accumulated Leave at Retirement or Death

a. "Instructional staff" shall be used synonymously with the word "teacher" or "faculty" and includes faculty members, librarians, counselors, and other comparable members engaged in an instructional capacity in the state college and whose salaries are expensed to GL codes 52000-52099.

"Educational support employee" means any person employed by a state college as an educational or administrative paraprofessional; a member of the operations, maintenance, or comparable department; or a secretary, clerical or comparable level support employee. These employees' salaries are expensed to general ledger (GL) codes 52300-54599.

- b. Individuals will be eligible to accumulate sick leave days until their date of separation. Only sick leave days earned at PHSC and those transferred from any authorized agency (as described in Section I) are eligible to be paid.
- c. Payment for unused sick leave accumulated prior to July 1, 2001, shall be made according to the processes outlined in Section I of this Rule.
- d. Payment for unused sick leave accumulated on or after July 1, 2001, shall be determined by multiplying the number of hours (a maximum of 1,920 hours) by 25% and then multiplying the resulting product by the final daily rate during the fiscal year in which the employee separates. (This calculation results in the maximum amount of payment for these unused hours, in accordance with law, being limited to 60 days of actual payment.)

If the employee has for terminal pay purposes an accumulated sick leave balance of 60 days of pay or more on June 30, 2001, sick leave earned after

that date may not be accumulated for terminal-pay purposes until the accumulated sick leave balance for terminal pay purposes as of June 30, 2001, is less than 60 days of pay.

Sick leave used in the course of employment at PHSC on or after July 1, 2001, will be charged to accumulated sick leave earned after July 1, 2001. When accumulated sick leave earned after July 1, 2001, has been exhausted, then the sick leave earned prior to July 1, 2001, will be charged for the sick leave used.
