

6Hx19-5.33 REIMBURSEMENT FOR TUITION FOR FULL-TIME AND REGULAR PART-TIME EMPLOYEES

The purpose of this Board Rule is to establish the Board’s policy regarding the reimbursement of tuition for the College’s full-time and regular part-time employees.

A full-time employee or a regular part-time employee who is employed at the College on at least a half-time basis may be reimbursed for tuition related to a course or courses taken at any accredited institution of higher education. Courses should be selected to upgrade skills and improve job effectiveness. Reimbursement is calculated on a fiscal year basis (July 1- June 30). The amount of reimbursement depends on the level of courses for which an employee registers and whether the employee is full-time or regular part-time.

Procedures and tuition reimbursement guidelines are described in Internal Management Memorandum (IMM) #5-3 *Employee Tuition Reimbursement Guidelines and Procedures*.
