6Hx19-6.07 EXEMPTIONS AND STUDENT FEE WAIVERS

The purpose of this Board Policy is to establish guidelines regarding exemptions and student fee waivers.

Exemptions are provided for certain students who are, by statutory definition, exempt from the payment of tuition and fees, including lab fees.

The Board may authorize the waiver of student fees in accordance with federal and state statutes and the Florida Administrative Code. When student fee waivers are authorized by the Board, a list of persons for whom fees are waived, documentation supporting the waivers, and the amount of fees waived shall be maintained. The President shall establish procedures for processing and documenting these exemptions and waivers.
