6Hx19-6.10 OFFICIAL STUDENT RECORDS

The College shall establish and maintain official student education and applicant records in accordance with applicable federal and state laws and regulations.

Student education and applicant records shall be maintained, accessed, disclosed, and protected in accordance with applicable confidentiality, privacy, and records management requirements.

The President is authorized to establish administrative procedures governing the content, custody, maintenance, access, amendment, disclosure, security, retention, and disposition of official student records, consistent with applicable law.
