The purpose of this Board Policy is to establish guidelines for the Pasco-Hernando State College Code of Student Conduct and Student Disciplinary Policy.

The College shall adopt a code of conduct procedure and appropriate penalties for any student who intentionally acts to impair, interfere with, or obstruct the orderly conduct, processes, and functions of the institution. Such rules or regulations may apply to acts conducted on or off campus when relevant to such orderly conduct, processes, and functions. Such penalties, unless otherwise provided by law, may include: written warning, reprimand; monetary restitution and/or work/service restitution; temporary or permanent loss of privileges; probation; suspension; or expulsion.

The College shall also adopt a code of conduct procedure and appropriate penalties for violations of rules or regulations by student organizations, to be administered by the College. Such penalties will be determined according to the level of misconduct, and unless otherwise provided by law, may include: reprimand; restitution; suspension, cancellation, or revocation of the registration or official recognition of a student organization; and restrictions on the use of, or removal from, campus facilities.

This Policy and the College student code of conduct shall be subject to and governed by state and federal statue, and the procedure shall be published on the College's website.
