6Hx19-6.20 FUNDRAISING ACTIVITIES

The purpose of this Board Policy is to establish guidelines for fundraising activities that are internal to Pasco-Hernando State College (College).

The President has ultimate control of the College's fundraising activities to ensure that all fundraising activities support the College's priorities as established by the District Board of Trustees. The College's students and employees shall not raise funds for any College-related project or organization without prior approval from the President or designee.

Fundraising activities which will benefit non-College entities, including charitable organizations, must be conducted in accordance with this Policy and must conform to the requirement of Board Policy.
